

# 23 GA. 2 in 1 Pin Nailer With Extended Magazine And Front Exhaust

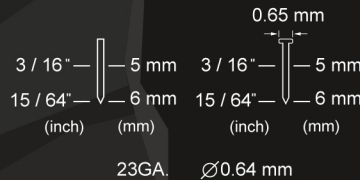

Model No: PT606FL

## APPLICATION

Model No	PT606FL
L x W x H	265x40x180 mm
Weight	1.06 kgs
Gauge	23 GA
Shank Dia	0.64 mm
Fastener Range	5~6 mm
Capacity	200 pcs
Working Pressure	70~100 psi

## APPLICATION

- Decorative trim
- Craft work
- Dowel and joint pinning
- Signboard
- Small piece wooden products
- Seasoning box
- Light wood assy
- Finish and trim work
- Mirror and picture frame assy
- Glazing strips
- Paneling external softwood trim
- Wall framing
- Truss construction
- Rattan furniture
- Window beading
- Display and sign work

## FEATURES

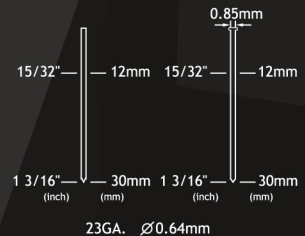

- Special design of magazine for delicate headless and micro head pins
- Double trigger safety lock helps prevent accidental firing of the tool
- Removable nose cover provides easy access to clear fastener jams
- A narrow nose on the pinners allows the tool to reach into tight areas, and detailed work surfaces
- The storage area provides easy access to your no-mar rubber tip and hex wrench used for removing the nose plate
- Auto Lock-out prevents dry-firing of the tool
- The window on the magazine can show if fasteners are low and when reloading is necessary
- A manual override button allows the last several pins to be driven if necessary
- The rear of the magazine is cut-off at an angle to allow the tool to be placed right up to the corner
- Rubber grip for comfort usage
- Extended Magazine for loading more nails up to 200 pcs
- Removable no-mar rubber tip protect your work surface
- Plastic end core on magazine for easy and comfort usage

# 23 GA. 2 In 1 Pin Nailer With Rear Exhaust

Model No: RPT630R

Model No	RPT630R
L x W x H	175x40x220 mm
Weight	1.02 kgs
Gauge	23 GA.
Shank Dia	0.64 mm
Fastener Range	12~30 mm
Capacity	120 pcs
Working Pressure	70~100 psi

## APPLICATION

- Light wood assy
- Finish and trim work
- Decorative trim
- Dowel and joint pinning
- Mirror and picture frame assy
- Glazing strips
- Craft work
- Paneling external softwood trim
- Wall framing
- Truss construction
- Rattan furniture
